Author: Alexandra Consterdine

Journal: Qualitative Research in Psychology

Special Edition: "Creative Representations of Qualitative Research"

Flash Fiction Accepted for Publication – 10/01/18

Title - *Metamorphosis*

Perplexed, I try to marshal my discordant, disparate half-formed ideas in to a coherent form. I fail. Under closed eyelids, they scud across my consciousness, twisting and changing; refusing to crystallize under pressure. So I force myself to relax, to give these transient notions the freedom to transform and metamorphose into something tangible, yet ephemeral.
